Applicant respectfully submits that no new matter has been added by way of this amendment. None of Applicant's amendments or cancellations are to be construed as dedicating any such subject matter to the public, and Applicant reserves all rights to pursue any such subject matter in this or a related patent application.

Prior to examination of the present application, Applicant respectfully requests consideration of the pending claims in light of the present amendment. Applicant respectfully requests early and favorable notification to that effect. If, in the opinion of the Office, a telephone conference would expedite the prosecution of the subject application, the Office is invited to call one of the undersigned attorneys.

Respectfully submitted,
